CLINICAL ASSESSMENT

MARION demonstrates exceptional overall academic competency, with outstanding performance across the majority of assessed subjects. Highest-performing areas include Christian Religious Education and English, where MARION operates at Exemplary level — placing this student among the upper tier of the academic cohort. Clinical recommendation: sustain high performance through advanced enrichment and competition exposure while proactively closing any emerging gaps.

PRIORITY INTERVENTION AREAS

No critical priority areas identified

SUBJECT ANALYSIS

Performance Matrix

SUBJECT	LEVEL	COMPETENCY	TRD
Christian Religious Educa- tion	4 · EXEM- PLARY		=
Exceptional aptitude demonstrated. Enrichment, advanced engagement, and leadership opportunities are clinically recommended.			
English	4 · EXEM- PLARY		=
Exceptional English language aptitude. Clinical recommendation: advanced reading programmes, essay competitions, and debate club engagement.			
Kiswahili	4 · EXEM- PLARY		=
Exceptional Kiswahili aptitude. A significant linguistic asset across multiple career and civic pathways.			
Mathematics	3 · PROFI- CIENT		=
Demonstrates proficient mathematical reasoning. Trajectory indicates readiness for advanced problem-solving and applied quantitative work.			
Social Studies	3 · PROFI- CIENT		=
Demonstrates proficient social and civic knowledge. Strong foundation for humanities, law, and public service pathways.			
Integrated Science	4 · EXEM- PLARY		=
Exceptional scientific aptitude identified. Strong STEM pathway candidate — science fair participation and advanced projects are recommended.			
Creative Arts & Sports	4 · EXEM- PLARY		=
Exceptional creative and athletic aptitude. Sports science, graphic design, performing arts, and coaching pathways are strongly indicated.			
Agriculture & Nutrition	4 · EXEM- PLARY		=
Exceptional aptitude in agriculture and nutrition. Agribusiness, food technology, nutritional science, and environmental management are strongly indicated.			
Pre Technical Studies	4 · EXEM- PLARY		=
Exceptional aptitude demonstrated. Enrichment, advanced engagement, and leadership opportunities are clinically recommended.			

PATHWAY ANALYSIS · GRADES 7–9

Senior School Pathway Recommendation

PATHWAY READINESS

RECOMMENDED STEM
ALTERNATIVE Social Sciences

Confidence: MULTIPLE PATHWAYS

This learner has the ability to succeed in more than one pathway.

TO UNLOCK SOCIAL SCIENCES

No additional requirements

TO MAINTAIN STEM

- Keep Mathematics at Level 3+
- Keep Integrated Science at Level 3+

WHY THIS PATHWAY FITS

- Demonstrates Exemplary competency in Integrated Science and Pre Technical Studies, which are core subjects of the STEM pathway.
- Analytical and quantitative reasoning skills support STEM pathway engagement.
- Strong STEM foundations at this stage open access to engineering, medicine, and technology degree programmes.

SUBJECTS TO STRENGTHEN BEFORE GRADE 10

WHAT THIS MEANS FOR YOUR CHILD'S FUTURE

A strong STEM pathway in Grade 10–12 opens doors to Medicine, Engineering, Technology, and Data Science — some of the highest-demand careers in Kenya and globally. With continued investment in MARION's foundational sciences now, these pathways become increasingly accessible.

HOLIDAY STUDY PROGRAMME

3-Week Holiday Action Plan

Designed for boarding school students · Starts Day 1 of the holiday

WEEK 1 · DAYS 1-7

45 min/day · Mathematics, Social Studies

FOUNDATION WEEK — Close the Critical Gaps
Goal: Build solid foundational understanding in priority areas before the next term begins

- Fractions, decimals, and percentages — 20 practice problems per day
- Basic algebra: simplify and solve linear equations
- Work through 2 past paper questions from your weakest topic

WEEK 2 · DAYS 8-14

30 min/day · Social Studies, Christian Religious Education

BUILDING WEEK — Apply and Consolidate
Goal: Apply foundational knowledge to exam-style questions and consolidate understanding

- Write an essay on a civic topic: elections, rights, responsibilities
- Research one African country's history and compare it to Kenya's
- Practice past paper questions on geography and history topics

WEEK 3 · DAYS 15-21

20 min/day · Christian Religious Education, English

EXCELLENCE WEEK — Reach for Level 4
Goal: Push strong subjects toward Exemplary level through extension and enrichment

- Explore one advanced topic beyond the current syllabus
- Write a one-page essay or analysis on a key theme from this subject
- Research a real-world application of this subject in Kenya or globally

RECOMMENDED DAILY SCHEDULE

MORNING	Mathematics — 45 minutes structured practice
AFTERNOON	Social Studies — 30 minutes review and application
EVENING	EduNexus Learning Compass session — 20 minutes
